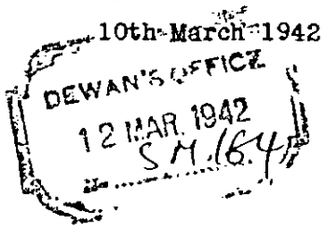
DEWAN'S MINUTE.



FILE No. 192 .

A complaint has been made that many Government servants and officials take very little interest in A.R.P. work on the ground that they have received no special orders requiring them to do so. No special order was required for this purpose because it is the obvious duty of all officials as citizens to lend, consistent with their official duties, every assistance to A.R.P. work. Circular instructions may kindly be issued in the matter.
